OPPORTUNITY TO COMMENT Social and Ecological Resilience Across the Landscape (56500) Stanislaus National Forest The Forest Service is seeking comments on the Stanislaus National Forest Social and Ecological Resilience Across the Landscape project (SERAL). The Draft Environmental Impact Statement (DEIS) is now available for review online at: <https://www.fs.usda.gov/project/?project=56500> Comments on this DEIS will be accepted for 45 days following publication of the Notice of Availability (NOA) of the DEIS in the Federal Register (expected December 10, 2021), which is the exclusive means for calculating the 45-day comment period. Commenters must ensure timely receipt of comments and should not rely on dates or times from any other source (36CFR 218.25). This project is subject to the pre-decisional administrative review process pursuant to 36 CFR 218, Subparts A and B. Only those who submit timely and specific written comments during a public comment period will be eligible to file an objection to the draft record of decision when it is published. Specific written comments should be written within the scope of the proposed actions, have a direct relationship to the proposed actions, and must include supporting reasons for the Responsible Official to consider (36 CFR 218.2). Individuals or representatives of an entity submitting comments must sign the comments or verify identify upon request. Comments may be submitted electronically online via the project website provided above. From the project website, click on the 'Comment / Object on Project' link located on the right-hand side under the 'Get Connected' box. Alternatively, you can use the following link to submit electronic comments with a few less mouse clicks: <https://cara.ecosystem-management.org/Public//CommentInput?Project=56500>. Comments received, including the names and addresses of those who comment, will be considered part of the public record on this proposed project and will be available for inspection. For additional information regarding this project, contact Katie Wilkinson, Forest Environmental Coordinator at: Kathryn.wilkinson@usda.gov. Publication: 12/10/2021 The Union Democrat, Sonora, CA
